

# Welcome to the Cricket bowling Animation Pack

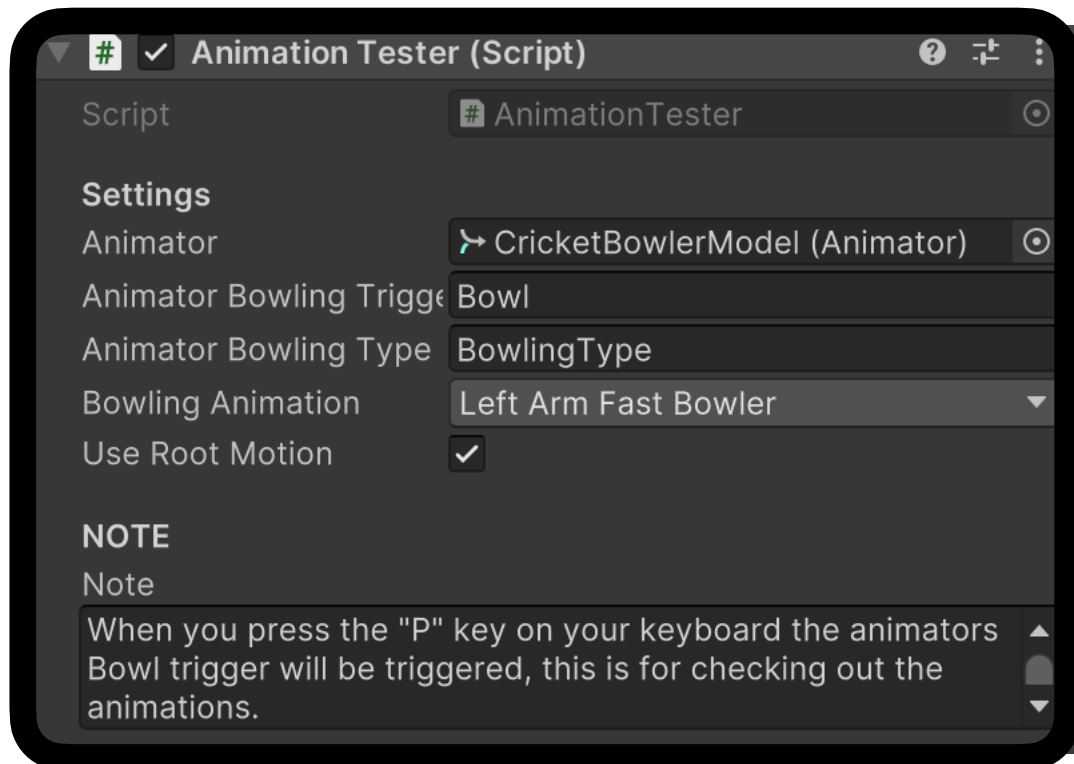

Contains Eight Different Cricket Bowling animations

## Table of Contents :

- 1.The Demo Scene
- 2.Contact And Support
- 3.Donate Me!

# 1. The Demo Scene

In the Demo Scene there is an AnimationTester script which Allows you to check out all of the animations in the package, It allows you to choose the animation you would like to play, check for your keyboard 'P' input and plays the selected animation that you set :

The Animation tester also allows you to use root motion or not.

Thats it From the demo scene!, you can test all the animations in this package.
